Dear Rose and Foster,

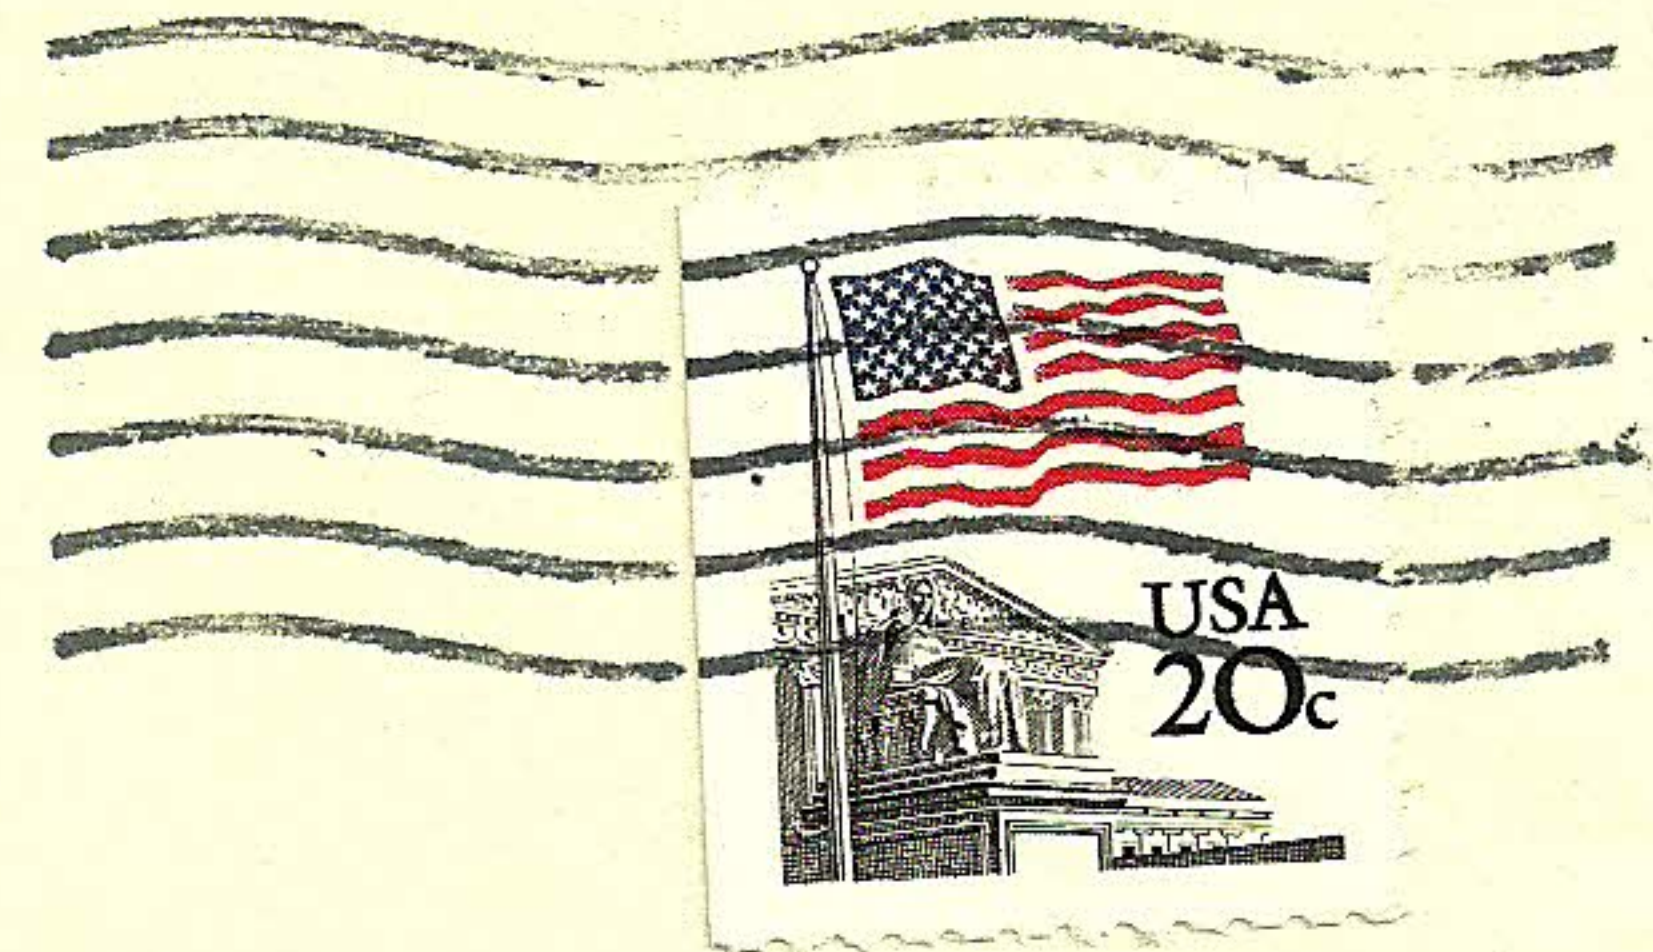

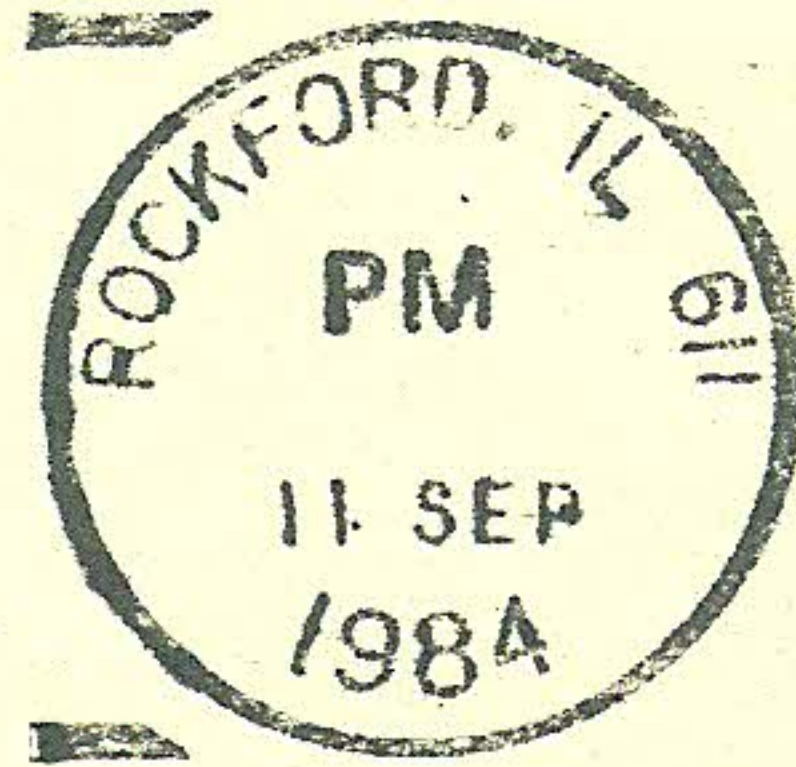

We were delighted to receive the card from Ireland. How nice of you to remember us. We'd love to hear all about your trip to Ireland, Scotland and England. I have a dear friend who is British and we enjoy her very much.

Enclosed is a check to help with the cost of Rob't Rutledge gravestone repair. We were down to the cemetery and saw it since Mr. Olson repaired it. We think it is acceptable - probably as good as can be done.

Looking forward to hearing from you - and hope you both can come out for a visit.

Fondly,

Blanche
