Dear Mr. Olson:

This letter will be to authorized work on the Robt. Rutledge monument located in the Stinsonian Cemetary in Ogle County. It is my understanding that you can and will effectively repair the monument by drilling holes for metal pegs and use some sort of a bonding material to preserve the joint, thus preventing further breakage etc.

Here is my check for \$100 which is "earnest money" which will allow you to proceed with the repair in good faith.

You may send your statement to me at my home when you complete the work.

Mutually,

Foster Rutledge

the Family
Fund owes
me \$10.00

I took \$90.00
